Castle School launches its new website

We delighted to be able to tell you that our new look website is up and running. We hope you agree that it looks very smart, is easy to navigate and promotes who we are and what we offer.

We've listened to what you've been saying and we've made sure we have highlighted the things that make us unique, including being non-selective, our exam success, the seamless transition from prep to secondary now we are on the same site and our focus on providing a caring and nurturing environment in which pupils can learn and gain confidence.

Please do visit the site and have a look for yourselves. You will find some of the kind words written by parents in [Why Choose Castle School?](#) (under Admissions or School Life). We are always happy to add testimonials, so if you have something you would like to say, do let us know and we will try to include it.

Why Choose Castle School?

If you would like to speak with a parent who has children at the school we can put you in touch with someone who would be happy to talk with you about their experience at Castle School. Please contact the office where we will be able to provide you with contact details.

Read what parents, pupils and Estyn have to say about Castle School

A school like no other. I am so glad we found it. Castle School has made a huge positive impact on my children. The school provides an innovative, caring, environment where my children are encouraged to work and play hard to achieve fantastic results, with a strong emphasis on community, team work and belonging. The teachers are a team of skilled, approachable, individuals who tailor education to each child and offer a broad curriculum and get amazing results. Nothing is too much trouble in this incredible school.

Mrs D, Cardigan, Ceredigion

Our son joined in year 7 after briefly attending the local comprehensive school. He had a trial day, loved the school and hasn't looked back. The atmosphere in the classroom is excellent. Time is not wasted in dealing with poor behaviour and pupils don't feel intimidated when asking for additional explanations.

A highlight of the week is 'outdoor school' when pupils apply subjects, (maths, geography etc) to outdoor projects. Team work and analysis seem to be major elements of their learning experience (together with mud!)

Castle School has a really positive, open-minded and refreshing approach to education and we are delighted to have found this gem of a school.

A Novel Idea for World Book Day - 1st March 2018

Come and Join us in the BIG READ on World Book Day - 26th February 2018

In addition to the news bulletin that is sent out each week, we do regularly post on Facebook. We know that not all of you are signed up to this, but you can now access our news within the website by visiting the [News and Events](#) page or clicking on the icon in the navigation bar on the left.

One of the comments from parents is that we are a little known gem in the county that others haven't necessarily heard about, so please do share this email and help put us on the map.
